

APPENDIX X

Shoreline Phase I 404(b)(1) Analysis

Placeholder for Section 404(b)(1) Analysis Under the Clean Water Act

Wetlands and Other Waters of the U.S. have been delineated and are discussed in the EIS.

Impacts to jurisdictional waters have been considered throughout the planning process.

Documentation of this consideration, in the form required by the Section 404(b)(1) guidelines, is under preparation and will be available by December 2014.
